September 2001 Show

Well, summer is over and school is back in session and that can only mean one thing... its time for another new Chuck E. Cheese show! The crew here at Department 18 has been hard at work putting together another stellar show for you and your guests.

Speaking of the crew, there have been a few changes recently within our department. Brent Gray recently left us to pursue his law degree at the University of Memphis. His replacement is Matt Schartz. Matt has been working with us for some time as talent, robot animator, and production assistant on a freelance basis. He joined the team full-time on August 6th. You may contact Matt at ext. 5613 here at the Support Center. Brian Hagan also has left us to pursue his education in Alabama. We wish Brent and Brian the best, but don't worry, we've still got a great team in place to support your entertainment needs!

Before I wrap this up let me remind you to check the list of current valid showtapes on page 3 of this newsletter. It is important that all expired showtapes be returned to Department 18. We are working hard to standardize the look and sound of Chuck E. Cheese and getting rid of those old showtapes would really help us out. Also, we don't want to infringe on the rights of the copyright owners of old licensed material. Thanks in advance for your help.

In closing, remember that we are always looking for feedback from you. You can send all of your show suggestions to cectv@cecentertainment.com. Keep up the great work!

DO NOT DISCARD PREVIOUS (SUMMER) SHOW. WE WILL USE IT AGAIN NEXT YEAR.

"WHAT I LIKE ABOUT YOU" LIVE

Along with your September Show is the all new Chuck E. Live Show, "What I Like About You." This popular song is sure to have your guests singing and dancing along with Chuck E. every time. There are currently no training materials that go along with the show

so be creative and don't hesitate to get your audience involved with this exciting new show. You should also notice that there is not an updated Road Show CD included with this show, however you may continue to use the most recent disc that you previously received with the Summer Show. Also if your Chuck E. costume head still has a bowtie attached please remove it. There is no need for the bowtie anymore because the tux outfit is no longer being produced. We appreciate your cooperation in keeping Chuck E. current.

Please remove Chuck E.'s bowtie from your Costume Character.

EDDIE COKER/CEC EXCLUSIVE

Once again we are proud to present Eddie Coker. His new video is entitled "I Believe." The song has a very positive message and we think that it is one of Eddie's best. Shot and produced exclusively by the entertainment department, Chuck E. Cheese's is currently the only place to catch this heart-warming new video.

We hope you like it as much as we do. Visit Eddie Coker on the web at www.eddiecoker.com.

"...we think that it's one of Eddie's best."

ON LOCATION

A very special thanks goes out to The Finish Line athletic store and to Whole Foods marketplace for letting us use their facilities to shoot the videos "Boogie Shoes" and "Paper or Plastic". We think you will agree that both videos turned out quite nice.

Thanks to Whole Foods and The Finish Line.
