This year we have updated the holiday show with some neat, holiday themed intermission pieces from FUNimation. A Wobots Christmas and The Santa Claus brothers are two of the humorous shorts included. You'll love them.

DECORATING YOUR SHOW

One thing you can do to help Chuck E. look a little more festive is to decorate your stage and characters. Here are some pictures of what a decorated stage may look like. The pictures are provided to you as examples, not as rules or restrictions. Also, you should seek the approval of your District Manager or Area Director, and remember to be smart and safe when decorating. The following are a few helpful guidelines:

- Be careful where you put lights.
- Use only flame retardant decorations.
- Do not flock any permanent set pieces.
- Do not use any staples, nails, or screws to hang decorations.
