SEPTEMBER 2010 SHOW

Greetings fellow Chuck E. Cheeszers! It's time to take a stroll down memory lane as you enjoy the September 2010 "best of" show which features some of your favorites songs from the past!

Remember, The September Show is under warranty until September 10th, 2010. It is important that you immediately install your new show upon arrival. This way it allows you time to check for defects and get a free replacement (if needed) before the warranty period expires.

Studio C locations

Upon installing the September 2010 show you will notice a cyberstar version change from a 2.02 to 2.03. This update adds the option to adjust the contrast of your touch screen. The version number of your cyberstar software can be found in the upper left part of the screen of the Studio C computer.
