MAKING MAGIC

#539 - READING, PA - "I would like to take this opportunity to tell you how much my family enjoys going the Chuck E. Cheese. Since the local one opened, I go about twice a month. The kids are free to play and have fun while we adults enjoy a conversation. We have had very good service and thought you could let them know they are doing a good job!"

#324 - PASADENA, CA - "I would just like to let you know I had a pleasant birthday experience for my child. The party was great and our service was incredible!"

#095 - CHINO, CA - "I would like to give recognition to your crew members for all their help in making my son's 2nd birthday party a success. The first person is the manager MONICA. She was wonderful, even when I was having problems with the reservations office, she took care of everything. The next person is KIM at the reservations office. She was a doll and took care of everything on the reservations end and I would like to thank her. The 3^d person is TRICIA, my hostess. She is a great asset. The 4^h person is ANGIE, the coordinator. She helped me bring in the party favors and answered my questions. On behalf of my husband and myself, I would like to thank these individuals and hope you will take notice of how special they are, especially to crazy moms and dads who have parties at Chuck E. Cheese's!"

**VERY IMPORTANT: THE FOLLOWING MEMO WAS EMAILED TO
YOUR REGIONAL AND DISTRICT MANAGERS ON FRIDAY, JUNE 15TH ...**

ALERT - IMMEDIATE ACTION NECESSARY!

To all RVPs, District Managers and General Managers: Please remove the following items from your Merchandise Inventory **IMMEDIATELY**:

- | | | | |
|----|--------------------------|---------------------|-------------|
| 1. | DINOSAUR INK PENS | 150 Ticket Category | Item #50453 |
| 2. | SNAKE INK PENS | 60 Ticket Category | Item #50445 |

It has been brought to our attention that these pens are being purchased by Guests and are mistakenly being used as a toy. Due to the nature of this product and its similarities to a toy, this confusion can potentially cause harm to our Guests.

If you have any of the DINOSAUR or SNAKE pens in your inventory, they must be removed from your locations and destroyed!

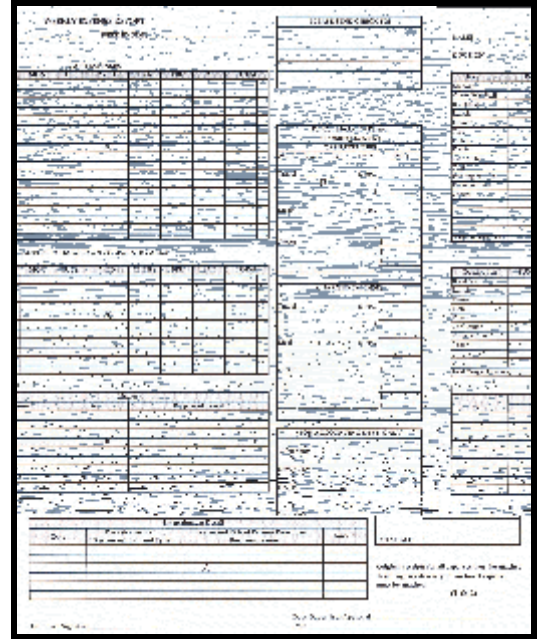

Please direct any questions regarding this notice to Risk Management, Pamela Grayson, 972/258-5609.

EXPENSE REPORTS

Accounts Payable has been receiving a high volume of expense reports that are not filled out correctly. Please review the guidelines stated in the Corporate Travel Policy. If you do not have a copy, please contact Helen Brown at (972) 258-5573.

To prevent a delay in processing your expense report and the possibility of coding the expense to an incorrect location, you should ...

1. Not submit faxed copies of receipts. The expense report will not be processed without the original receipts.
2. Tape the receipts to a letter size sheet of paper. Do not staple receipts to the back of the expense report.
3. Write the location number the expense is to be charged in the Cash Expenses Section on the right hand side of the form. This section should always be filled out.
- 4.

A scan of a corporate expense report form. The form is divided into several sections. On the left, there are two large tables for recording expenses, with columns for date, amount, and description. On the right, there are several smaller sections, including a 'Cash Expenses' section with a grid for recording charges to different locations. The form is filled out with handwritten entries, though they are difficult to read due to the scan quality.

BULK HAND SOAP

As summer progresses, we will transition from our Eco Lab cartridge soap dispensers to Eco Lab bulk soap dispensers. This will lower our cost by about 50%. Only the pack/size changes. Our soap, Anti-Bacterial Clean & Smooth, stays the same. Our current pack size of 16/450 ml will be replaced by 4/1 gallon.

To initiate the change, or if you have canceled a restroom cleaning service and need a replacement, call your Eco Lab rep and have him install the new bulk soap dispensers and to bring you a couple of cases of bulk hand soap to last until McLane begins stocking it. McLane will stock both pack/sizes for a couple of months before discontinuing the cartridges. Please call Mike Johnson in Purchasing with any questions.

AIR FRESHENERS FOR RESTROOMS

For those of you who have eliminated your restroom cleaning service and are now in need of air fresheners for your restrooms, we have asked E. Don to stock the items listed below. This new system requires no batteries. It is a solid deodorant block that goes into a wall-mounted cabinet that is attached to the wall by double-sided tape.

<u>ITEM</u>	<u>ORDER #</u>	<u>CASE SIZE</u>	<u>CASE COST</u>
Wall Mounted Cabinet	1J1564	1	\$ 2.62
Cherry Deodorant Block	1J1557	12	\$16.73

We recommend you put two cabinets in each restroom. Each block should last about a month, so a case should last at least a couple of months. The cabinets should be mounted in the same spot as any previous deodorizer so it can cover any blemishes on your wall.

! DO NOT MOUNT THESE WITHIN THE REACH OF A CHILD-THE DEODORANT BLOCKS LOOK LIKE CANDY !

Please call Mike Johnson in Purchasing with any questions.

DIDN'T YOU EVER ASK YOURSELF ...

Why does the sun lighten our hair, but darken our skin?	Why is it that doctors call what they do "practice"?
Why doesn't glue stick to the inside of the bottle?	Why is the 3 rd hand on the watch called a second?

BIRTHDAY BROCHURE DROP-SHIPMENT

July is the first of the three months a year in which we will automatically drop-ship a package of birthday brochures (\$20 per 500) to each location, along with their American Business Forms order. If you do not place an order during the month of July the brochures will be automatically shipped at the end of the month.

Please be sure to always keep a supply of Birthday Brochures in your brochure rack at the front of your store. English and Spanish versions of the Birthday Brochure can be ordered at anytime through American Business Forms.

Please call Gary Frank at (972) 258-5635 with any questions.

YOU DO MAKE A DIFFERENCE!

Here's a great letter from one of our former cast members ...

"This is Gina the trainer from Corpus Christi that opened four wonderful, memory-filled stores for CEC. I thank you for sending me the pictures you took in Tennessee. I most of all would like to thank you for the good words you told my previous employer about my work for CEC. Just to let you know, I am working for a new local radio station as an on-air personality on the morning show. So in some ways, I am a local celebrity. My father was a DJ and I had always wanted to do the same since I was younger. I am now living out another one of my dreams. My first was to work for Chuck E. Cheese's. I miss the magic and all the fun of being a trainer and cast member of the greatest kids place in the whole wide world, but I will never forget all of the great people I met in my dream. You being one of the many that gave me words of encouragement that I will never forget. So in closing, I wish you and the rest of the Corporate Team the best and all of God's blessings.

Sincerely, Gina Guadalupe Gonzalez"

STOP AND THINK ABOUT IT ...

U The real art of conversation is not only to say the right thing at the right time, but also to leave unsaid the wrong thing at the tempting moment.

U Remember ... amateurs built the ark. Professionals built the Titanic.
