SHOWBIZ PIZZA PLACE INTRODUCES (COLANDER-HEAD NITE)

For those of you who have what it takes to be a Colander-Head, ShowBiz Pizza Place is proud to introduce Colander-Head Nite. Each Wednesday nite in March we invite you to grab an ordinary colander from your cupboard, decorate it any way you would like to create a one-of-a-kind design, and wear it to your favorite ShowBiz Pizza Place for all the fun you can stand! The Rock-a-fire Explosion takes great pride as they present the HISTORY OF NOBLE AMERICAN COLANDER in their latest crazy show. Fatz himself, will indoctrinate you as a Colander-Head, and you will

receive a special Colander-Head membership card. As a card carrying member each week you will receive an 8 x 10 glossy of a ShowBiz character wearing a colander — come each week and collect the whole set! At every Wednesday nite Colander-Head party crazy prizes will be given in the "Crazy Colander Contest" . . . with grand prize of a crazy all expense paid vacation, FANTASY DESIGNED especially for you and your family. All this awaits you at ShowBiz on Wednesday nites in March . . . but only if you wear your colander.

COLANDER HISTORY HIGHLIGHTS

DID YOU KNOW?

1. When Adam and Eve set out from the Garden of Eden they wore more than fig leaves . . . atop their heads were the earliest style of colanders.

PICTURED HERE LEFT TO RIGHT ADAM SMITH and EVE SMITH

2. Marie Antoinette, unfortunately, refused to muss her curls with a colander—and we know the price she paid for her vanity.

3. When George Washington led his soldiers across the Delaware River their shoes were in tatters but their Colanders were as good as new. Knowing the value of the Colander in American society, our nation's forefathers included their right to wear decorated colanders in the original Declaration of Independence. Betsy Ross even considered using a Colander on the first American Flag — making it the "Colanders and Stripes" rather than the "Stars and Stripes." But that's another (tall) story.

4. During both World Wars, American soldiers made the Colander a symbol of freedom everywhere . . . and of course the Colander girls were their queens. But not until today has the Colander reached its pinnacle of fame with the ShowBiz Pizza Place Colander-Head Nite. For details, read on.

WIN A FANTASY VACATION FOR YOUR FAMILY

CRAZY COLANDERS. . . COMPETE FOR GRAND PRIZE:

Pictured here are several entrants in the "CRAZIEST COLANDER" contest. They're hoping that their creativity and originality of their colander design will win the "ALL EXPENSE PAID" FANTASY DESIGNED vacation for their entire immediate family. You can enter too! Just bring in a snap shot of you or one of your friends wearing your unique colander. Remember to put your name, address and phone number on the back. Your picture may be chosen to appear on the Colander-Head Bulletin Board or in the "Colander Gazette" and may even win a FANTASY VACATION for you and

your family! You may adorn your colander in any fashion using your wildest imagination. Some models have been sporting ribbons and streamers . . . you may display flowers or leaves or pieces of your brother's parcheesi set or your son's first tooth . . . if you can fasten it, you can wear it. But there are no rules except that the finished piece be recognizable as a colander. Of course, only those with creative minds, free spirits and wild abandon bedeck their head with the noteworthy colander.

DOW JONES CONFIRM \$... "COLANDER CRAZE" FASHION CONCEPT IS NOT FULL OF HOLES

BUSINESS (FOR THE SERIOUS MINDED)

The biggest growth stock on today's market was Colander International Commodities, Inc. which gained nearly five points amidst heavy trading. Interest in the stock has been attributed to a world colander shortage brought on by increased demand coupled with the controls of the colander cartel.

DOW JONES

The cartel, which was formed in 1974 has been very successful in monitoring the supply of colanders to a waiting world. While the value of other commodities, including precious metals and gems, has fallen in recent months, colanders continue to increase in value proving that in today's tough times it takes a little craziness to keep from going insane.

ROLFE RALLIES SUPPORT FROM FANS

In an all out attempt to STOP the Colander-Head Movement, apparently single handedly, Rolfe De Wolf has requested that his entire International Fan Club, of which he is the president, BAN the Colander-Head Movement! He's shown here discussing the issue with his supporters.

★ DEAR GABBY ★

DEAR GABBY:

My husband and I have been married for fifteen years. Our marriage is fine except for one small problem. In fifteen years he has never removed our Colander from his head. He even wears it in the shower! I love spaghetti, but with the Colander on his head we can never have it unless we go out to eat. What should I do?

Spaghetti Starved

DEAR STARVED:

My advice to you is to use your noodle. Go out and buy two more Colanders: One for your spaghetti and one to wear when you and your husband go to Colander-Head Nite as ShowBiz Pizza Place, and that won't "STRAIN" your pocket book!

Gabby
